RE: UTU - 070718 Strip Mining - Millard
County Utah

Dear Mr. Wilson:

We have reviewed a copy of your Notice of Plan of Operations in Millard County. We received a copy of the notice from the Bureau of Land Management on October 18, 1993.

This project is for surface mining of Perlite and will involve less than 5 acres.

It does not appear that the operation as described will have any water quality impacts. No permit is required for the stated activities.

If we can be of further assistance, please contact me or Mr. Lyle Stott of my staff.

Sincerely,

Kiran L. Bhayani, P.E., D.EE., Manager
Design Evaluation Section
